

SAMPLE FORM, NOT FOR OFFLINE COMPLETION

# SPORT EVENT SUPPLIER

This category recognises companies that provide essential services, equipment, or solutions that enable the successful delivery of sports events in the Middle East.

Open to suppliers across various sectors; including power, lighting, structures, seating, logistics, technical services and more, this award celebrates those who go above and beyond to support and elevate events. Judges will assess both exceptional contributions to individual events and consistent excellence across multiple projects during the eligibility period.

Submissions should demonstrate the supplier’s innovation, reliability, and ability to meet the unique demands of the sports industry. Key considerations include the quality of service, the impact of their contributions on event success, and any instances where the company exceeded expectations or overcome significant challenges.

Applicants must be actively operating in a Middle Eastern country between January 1, 2025 and December 31, 2025. Entries are required to provide supporting evidence of achievements, including competitive performance milestones, league results, community or fan engagement activities and any notable initiatives or programmes. Supporting documentation should also include client testimonials, measurable results and case studies.

JUDGING CRITERIA
Judges will assess the level of innovation across products, technology, services, or delivery methods, alongside the applicant’s ability to deliver reliable, high-quality operations for complex sports events. Evaluation will focus on effective execution, problem-solving, and collaboration with key stakeholders. Submissions must demonstrate clear, measurable impact, supported by evidence of improved event performance, enhanced fan or participant experience, increased efficiency, or cost-effective delivery, using defined KPIs and examples from the eligibility period.
